On 01/11/10, at approximately 1700 hours, I, Detective Sam Easley, along with Sgt. [REDACTED] stated as she was driving back to her apartment she got a text from Dixon asking her to come back to South Hall. [REDACTED] stated she had not provided her phone number to Dixon, and stated [REDACTED] or another one of her neighbors must have given out her number. [REDACTED] stated when she did not respond to the text message she received a phone call from Dixon. [REDACTED] stated she answered the phone and Dixon told her he left his key at [REDACTED] apartment and needed to go back and get it. [REDACTED] stated she turned her vehicle around and went back to pick Dixon up at South Hall. [REDACTED] stated after she picked Dixon up they went back to [REDACTED] apartment and the door was locked, and no one appeared to be home at the apartment. [REDACTED] stated she told Dixon that he could stay at her apartment until [REDACTED] or one of his roommates got back. I asked [REDACTED] if Dixon made any phone calls or text messages to [REDACTED] or anyone else during this time, and she stated she thought Dixon may have texted or called someone during the drive to [REDACTED] apartment.

[REDACTED] stated soon after she and Dixon entered her apartment, Dixon walked into her room and changed a song on her IPOD, because he did not like the country song that was playing at the time. [REDACTED] stated her roommates were not in the apartment during this incident. [REDACTED] stated her IPOD was on her desk in her room. [REDACTED] stated when she and Dixon were in her room Dixon started joking around with her and began touching her waist and legs, which she responded to by telling him to stop. [REDACTED] stated Dixon was still touching her waist and legs and stated "cmon baby, you know you want it." [REDACTED] stated as Dixon was saying this she was sitting on the edge of her bed and he was standing up. [REDACTED] stated she then noticed Dixon pushing her down on the bed on her back. [REDACTED] stated Dixon took both of her hands and held them above her head. [REDACTED] stated she told Dixon, "stop, I can't have sex with you." [REDACTED] stated Dixon kept saying "cmon baby, it will feel good, you know you like it and want it." [REDACTED] stated she told Dixon she was not on birth control and did not have a condom in hopes that would deter Dixon, but Dixon told her he would just "pull out."

At this time [REDACTED] stated Dixon started to pull her pants down. [REDACTED] stated as Dixon was pulling her pants down she was attempting to move her body in an upward motion to try to keep her pants on. [REDACTED] stated at this time she felt Dixon push his hip into her inner thigh, and he was still trying to pull her pants down. [REDACTED] stated Dixon was able to pull her pants down and get her pants completely off. [REDACTED] stated she was not wearing underwear under her pants at the time of this incident. [REDACTED] stated when Dixon first entered her apartment he took off his sweatshirt and during the assault she believed he had pulled down his pants and boxer shorts.

[REDACTED] stated she got to a point during this incident when she did not fight because the more she fought back the harder he would push against her with his hip. [REDACTED] stated shortly after Dixon pulled her pants off her he inserted his penis into her vagina. I asked [REDACTED] if there was any digital penetration that occurred during this incident and she stated

prior to the sexual intercourse, Dixon inserted one finger into her vagina. [REDACTED] stated the digital penetration did not last very long. [REDACTED] stated when Dixon inserted his penis into her vagina she thought he may have used his hand to help insert his penis inside of her. [REDACTED] stated while the sexual intercourse was occurring she was trying to get him off of her and was pushing against him, and he was putting pressure on her with his hip. [REDACTED] stated she was telling Dixon that she was hurting and he stated "you know you like this dick." [REDACTED] stated during the sexual intercourse Dixon pushed her shirt up and she was still wearing a bra. [REDACTED] stated she believes the sexual intercourse lasted approximately twenty minutes.

[REDACTED] stated she remembered she was wearing a white Nike V-neck shirt and her bra was tan in color. [REDACTED] stated she experienced pain associated with the intercourse and she told Dixon repeatedly to stop during the incident. [REDACTED] stated Dixon kept telling her "it will feel good" and he kept doing it. [REDACTED] stated she realized that Dixon was not going to stop so she "let it happen." [REDACTED] stated there were no vaginal secretions that occurred during this incident. [REDACTED] stated when Dixon ejaculated he ejaculated partly inside of her vagina, and then pulled his penis out and ejaculated on her leg and stomach. I asked [REDACTED] if she was certain some of the ejaculation occurred in her vagina and she stated she was certain. [REDACTED] stated Dixon did not use a condom during the incident.

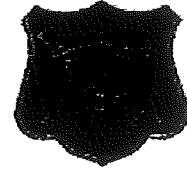

[REDACTED] stated after the incident occurred Dixon got off of her and told her "if you get pregnant you can't be." [REDACTED] stated she replied by saying "what" and Dixon told her if she got pregnant she would have to get an abortion, because he could not have a kid. [REDACTED] stated she told Dixon she would never get an abortion and she stated Dixon told her that if he found out she was pregnant he would "kick her in the stomach and push her down the stairs." [REDACTED] stated Dixon was laughing as he was saying this and did not think anything was a big deal. [REDACTED] stated she did not say anything to Dixon after that and he went to sleep in her bed and she went to sleep on the couch in the living room. [REDACTED] stated she was very stunned and shocked at the time and did not know what to think. I asked [REDACTED] if she could remember when the assault occurred and she stated she believed the assault occurred after midnight.

[REDACTED] stated she received another text from Dixon at 5:56 P.M. that stated, "you weren't pregnant?" [REDACTED] stated she texted Dixon back and told him, "you can't find that out until later." [REDACTED] stated she received a text from Dixon at approximately 6:00 P.M. that stated, "ok, that's cool, did you enjoy last night baby?" [REDACTED] stated Dixon ended

At this time I explained to [REDACTED] that I would be asking her a series of questions pertaining to this incident that reflects our department's policy and procedures for investigating sexual assaults. At the time of the interview [REDACTED] had already been briefed on the process of obtaining an ex-parte and understood all resources available to her.

I asked [REDACTED] if she would be willing to press charges against Dixon in this case and she stated she was not willing to do that at this time because of various reasons including not wanting her family to know, and not going through the pressure and harassment from outside sources. [REDACTED] stated she was concerned that since Dixon is a basketball player for the University of Missouri basketball team that no one would believe her about what happened, and she may be persecuted because of it. [REDACTED] stated she also works for the [REDACTED] as a [REDACTED]. Sgt. Spalding asked [REDACTED] why she waited for a period of
